Procedure for concluding non-compulsory internship agreements

- 1) At the University there are model agreements approved by the legal service (with an external entity and with an organisational unit of the Catholic University of Lublin). In the case of external entities, a bilateral agreement is concluded: i.e. between the Host Institution and the University.
- 2) In the case of internships in the organisational units of the University, a model agreement between the student and the University applies (the agreement is signed by the student, the head of the Student Career Centre of the Catholic University of Lublin and the head of the organisational unit of the Catholic University of Lublin where the internship will take place).
- 3) In order to receive a non-compulsory internship agreement, the student should fill in the form available on the website of the Student Career Centre of the Catholic University of Lublin <http://www.kul.pl/praktyki-nadobowiazkowe,11961.html>.
- 4) The completed form together with the signed consent to the processing of personal data for the purpose of the internship programme should be sent by the student in electronic form to the Student Career Centre of the Catholic University of Lublin to the address: kariera@kul.pl.
- 5) The form must be received by the Student Career Centre of the Catholic University of Lublin at least 2 working days before the start of the internship.
- 6) A non-compulsory internship agreement in two copies is prepared by an employee of the Student Career Centre of the Catholic University of Lublin, after verification of the student's status in the university database.
- 7) The Intern receives the non-compulsory internship agreement in two copies in person in the Student Career Centre of the Catholic University of Lublin, after prior telephone or e-mail information received from the employee of the office. Upon receipt of the agreement, the student is obliged to present a valid student ID card.
- 8) Upon completion of the internship, the Intern returns one copy of the internship agreement signed by the Host Institution to the Student Career Centre.
